

# 6 Tips To Stay On Budget!

## 1. Must-Haves

*Figure out what you absolutely have to have at your wedding. Be sure you and your spouse are on the same page!*

## 2. Figure Out Budget

*Decide how much money you have to spend for your wedding. Go ahead and figure out where the \$ will come from before spending anything!*

## 3. Research

*Do some research on vendors and services. Compare different prices and sort through which fit comfortably into your budget.*

## 4. Compare Prices

*Compare prices on your "wants." Then come up with ways to cut out a few things to save some money. It's a good goal to try and stay under budget in the planning process.*

## 5. Choose Vendors

*Select vendors and venues based on pricing that works for you. Confirm your wedding date. Put down deposits ASAP to ensure dates and prices.*

## 6. Track Your Spending

*Create your own system to track expenses. KEEP receipts! Document EVERY penny to help you keep track of your budget.*
